Logicor provides the real estate which enables the flow of trade vital to everyday life.

We own, manage and develop logistics real estate in key transportation hubs and close to major population centres across Europe.

Our real estate and the strength of our network enables our customers' goods to move through the supply chain and into society, every day.

Anthony McCluskie - Logicor

Network

We're on the ground, in the right strategic places. Over 300 dedicated professionals, operating in 19 offices across Europe, leveraging our local knowledge and relationships to advise on and support our customers' needs, delivering value and advantage every step of the way.

Flexible real estate

We have a broad portfolio of properties, including multi-let and big box, to support industries that everyday life depends on. From entrepreneurial food and drink retailers, to e-commerce giants, and global distributors, we provide the ability for them to flex and scale to their needs and benefit from the operational agility and efficiencies this brings.

"Our broad portfolio covers large logistics and distribution centres for global businesses, to smaller industrial units, suitable for a range of uses, in the right strategic places across the UK. Liberty Park Lichfield provides the opportunity to design and build up to 283,000 sq ft of modern and sustainable warehouse space, in the heart of the Midlands."
